MUST CALL TO REGISTER YOUR CHILD

This will ensure that we have enough food and gifts for the children. Due to limited parking only 90 children will be able to attend this event. So please call to register your child.

Please bring your child, their fishing pole and tackle, so they can be a part of a very fun and important event that will ensure that the hunting and fishing heritage of this great state will be passed on to future generations and will also keep the memory of Chiara Tadina alive.
